

# MAINVILLE SPORTSMAN CLUB ; Range Rules and Standard Operating Procedure

Effective February 21<sup>st</sup>, 2013

1. General rules of firearm safety to be used at all times.
2. No alcoholic beverages are to be consumed before or during shooting session.
3. Keep all loaded firearms pointed down range, actions open when not shooting.
4. All shooting to stop upon hearing a “cease fire” command. Anyone may call a “cease fire” at any time.
5. Absolutely no firing or handling of firearms when anyone is downrange or beyond the “firing line”.
6. Members are fully responsible for the actions of their guest.
  - A. One guest per member.
  - B. A member is not limited to one family member, but is responsible for all family members actions.
7. In the event of an accident or injury. ( in order )
  - A. Render first aid
  - B. If needed call 911 and follow the instructions of the dispatcher.
  - C. If 911 is called ,send someone to the main road to guide emergency vehicles, and  
( If available)send someone to the gate to stop anyone except authorized persons from entering and to stop anyone from leaving.
  - E. Notify an officer of the club as soon as possible.
8. Share the range. Be courteous to others, examples; Allow ample time for others to shoot between your target checks, don’t spread your equipment out over many benches, dispose of your spent targets properly, police your brass, etc.
9. All members are issued a Id card. It must be displayed openly on the members person or on the shooting bench with the shooters equipment. Any member not displaying his card must produce it upon request and subsequently display the card. Anyone not complying must leave immediately.
- 10 . All bullets should impact on backstops or berms. All bullets must impact on club property
11. Shooting of target stands, structures, props, or any club owned equipment is strictly forbidden.
12. The shooting pits marked 1 thru 6 are open for use by any member at any time except during club sanctioned events.

In the pits use only standard pistol caliber firearms, and lead bullets only, must be used when shooting steel targets.

Sub-guns are permitted to use the pits only if the shooter is ,or is accompanied by an “*NRA Certified Range Safety Officer*”.

( OVER )

## MAINVILLE SPORTSMAN CLUB ; Range Rules and Standard Operating Procedure

13. No tracer or incendiary ammunition during dry weather. No binary chemical targets at any time.
14. No vehicles on range in wet weather.
15. Hunting on club property is “ Members Only”, and shooting ranges are open during hunting season.
- 16 . Range will be closed for grass mowing and maintenance. Shooters must obey range access signs.
17. If there is activity at clubhouse, inform the parties of your intention to shoot before doing so.
18. Any large shooting activity that will close any portion of the range for an extended period must be proposed in advance to the “membership” at a regular meeting, or proposed to two or more “Officers of the Club” for approval at least two weeks before such activity. Upon this approval that portion of the range will be posted “ closed” with signage and if possible posting on the club website.
19. Willful disregard of these rules could result in loss of range privileges, expulsion from the club, and/or civil or criminal prosecution.
20. The “ Officers of the club” have absolute authority in the enforcement of “ Range Rules”  
The witness(es) of the violation of “Club Rules” or illegal activities on club property  
Should contact an officer immediately.
